Dear New / Renewing Black Sheep Member,

The Black Sheep Bowmen Archery Club is a non-profit organization located in the north east corner of building 7271 on Elmendorf AFB, Alaska. Our membership is open to both military and civilian. Our indoor and outdoor ranges are available 24 hours a day to members and their guests (guests must be accompanied by an active member). You will be given the combination to the front door of the indoor range. Meetings are held the first Thursday of the month. Civilians are able to obtain a base pass for use of our facilities. If you wish to become a member, please fill out this application following the instructions listed below. Please print clearly.

Print the information requested in the first block clearly. If a base pass is requested, an “Any Person Background Check” is currently NOT required, but can be reinstated at any time. The cost will be \$20.00 and the responsibility of the member to obtain. Access will not be allowed if the background check reveals any of the following: Aggravated Assault (5 yrs), Simple Assault (2 yrs), DWI (3 yrs), Domestic assaults (3 yrs), possession of a controlled substance (5 yrs), and weapons violation (3 yrs).

The second block informs you of the types of membership available. Membership runs for one year from date of approval of application. Membership fees are as follows:

1. Annual membership with no work party requirements for a single person is \$120.00 or for a complete family it is \$150.00.
2. Annual family membership for those who want to save a little money and are willing to work the equivalent of two work parties for the club during their membership period is \$100.00. A family members is defined as 1) someone who resides in the same household as a spouse or partner 2) children who are under the age of 18 or full time students and reside with the member or 3) children who are under the age of 18 or full time students and are legal dependents of the member.
3. Annual single membership for those who want to save a little money and are willing to work the equivalent of two work parties for the club during their membership period is \$75.00.
4. Lifetime single membership is \$600.00 and requires the Board of Director’s approval.

**There are three work areas—Indoor Range, Outdoor Range, and 3-D Shoots.**

*You are required to complete the equivalent of two work parties during your annual membership if you choose a work party option! Work party schedules will be posted at the Indoor Range and announced in the monthly newsletter.*

1. If you are assigned to help with the Indoor Range, work party schedules are posted in the monthly newsletter. The length of work parties depends on what is scheduled to be completed. Normal credit for an indoor work party is one half credit. Exceptions occur during the State and Sectional Indoor tournaments and at the Range Master’s discretion.
2. If you are assigned to help with the Outdoor Range, work parties are usually scheduled on weekends. Again, the length of work parties depends on what is scheduled to be completed. Credit assigned will be determined by the Range Master.
3. If you are assigned to help with the 3-D Shoots, a full work party credit will be given for setting up the shoot and a half credit will be given for taking down the shoot.

Please number work areas in order of preference—first, second, and third. We will try to assign you to the area you chose. However, if your first choice is full, you will be assigned your second or third choice.

The third block is easy. Print your name on the first line, read the statement, sign and date the bottom line. Complete and sign the attached waiver pages. Then, mail the completed application to the address on the front, or bring it to the next meeting. *Don't forget to enclose your payment for the type of membership you selected! Thank you and welcome to the*
